This limited lifetime warranty applies to all hinges, runners, slides, metal drawer, and sliding and folding door systems sold by Hettich.

If you are a consumer within the terms of The Consumer Guarantees Act 1993, then this warranty is in addition to your rights as a consumer and in no way reduces your statutory rights.

Hettich does not warrant products which have been incorrectly installed, exposed to loads in excess of specifications, and/or abused or used for purposes other than that for which they are intended. Hettich will not be liable for any consequential or incidental damages resulting from or contributed to by the use, installation, performance, or failure of our products.
