

TopLine 25/27

Sliding Door System

TopLine 25/27 is the perfect entry level sliding door system.

With TopLine 25/27, you can enjoy unobstructed access to the contents of your cabinets, without having to worry about doors protruding into the room.

TopLine 25/27 offers full freedom of design, with uncomplicated installation and easy concealment behind a panel. You can design the base of your cabinet as you wish, using freely selectable runner systems. This means that you can create a custom solution that perfectly matches your design vision for up to 3 doors.
