

FIND IT AT HETTICH

Hettich was founded in 1888 and is a successful, fourth-generation family-owned company with 25 subsidiaries and headquarters in Germany. The Hettich team work behind the scenes creating top quality, award-winning hinges, drawer systems and sliding and folding doors. Choose your design and manufacturing experts to work alongside Hettich to create an accessible but uncompromising building

AVANTECH YOU DRAWERS

A design-conscious homeowner's dream.
 -sleek and modern thin-walled drawer
 -completely invisible screws and fixtures.
 -a customisable look using DesignCapes and Design Profiles

WINGLINE FOLDING DOOR

Folding door solutions from Hettich provide a wide range of interesting front design options. With optimised running performance, soft opening and closing and minimal door protrusion for efficiently organising space

TOPLINE SLIDING DOOR

Luxurious opening and closing with Silent System integrated sliding doors. Perfect for spaces that have limited space.

SLIDELINE M DOOR

Great for smaller spaces that benefit from zero protrusion, it's great for benches in the kitchen or bathroom.

THE ORGA RANGE

Compatible with our range of drawer sizes. The Orga sub-ranges can be freely mixed and matched within themselves based on your storage requirements. It's organisation at your fingertips
